

# Camp/Academy Bank Deposit Sheet

**WHAT IS THE "CAMP/ACADEMY BANK"?** The camp/academy provides a "bank" for the participants (and parents) concerned about the safe keeping of spending money for camp/academy. There will be no cash used at the Camp/Academy Store or given to participants. **The money you deposit in the camp bank is your participant's money and he can use it for what he wants, when he wants.** If you would like to secure spending money for your participant in the camp store, you can add money to the bank online in the Camp Store, mail in this form at least 4 weeks before camp begins, or you can bring this form with you to registration on the first day of camp. This information will be recorded and your participant will need to sign his name and show his dorm key each time he makes a withdrawal at the camp bank. The camp bank will be open when the boys are not on the practice field.

*Examples of items available for the spending money: Food, drinks, equipment, and camp souvenirs in the camp store, or pizza delivery at night. Approximately \$65 to \$100 is the average deposit parents make. Please explain to your participant that he should not use all of his money on the first few withdrawals.*

**Any money left in the bank will be refunded 2 – 3 weeks after the camp/academy to the same account used for the deposit.**

**INSTRUCTIONS: You must check the camps/academies you are attending:**
